

WASHINGTON STATE PRIZE RIDES 2010, etc.

- Be sure to check with the ride host whether or not weed free feed is required by law, also any required parking permits.
- If you are going to any of the events, be sure to contact the ride host to check for updates. Sometimes dates change and I don't hear about.
- Please clean up around your trailer. We want the ride host able to use the land again next year.
- If you find changes or additions, please let me know. If you want an updated version, contact me (Peggy Wolf) at e-mail rosehunt@aol.com. This is the February 2010 version.
